GCC Construction Market

GCC Construction Sector Overview

The GCC economies are likely to lead the Middle East and North Africa (MENA) region's economic growth in 2019 through events and mega projects such as the Dubai Expo 2020, Qatar's FIFA World Cup 2022 and Al Qiddiya, Red Sea and Neom projects in Saudi Arabia (KSA).

According to the Mena Research at Emirates NBD, the GCC is expected to register average growth rate of 2.5% in 2019.
